Nordlux Smart

Set-up guide delivered with products and available on website

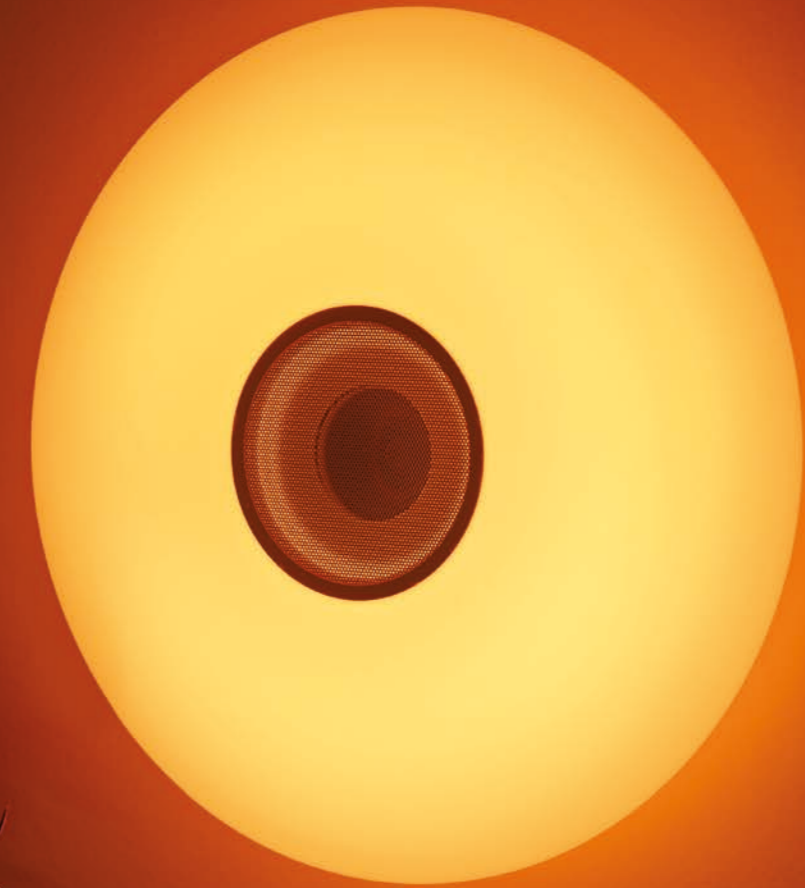

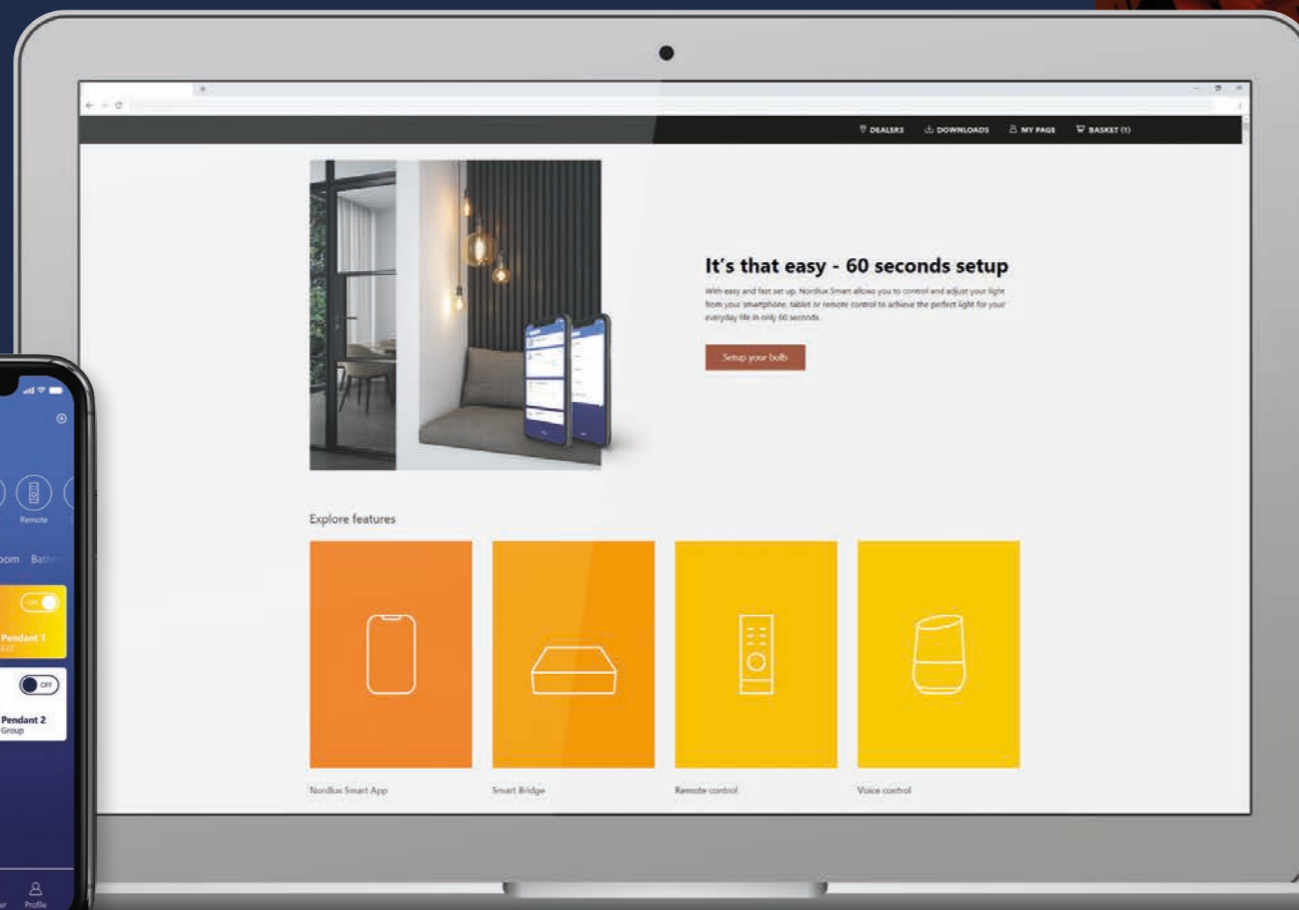

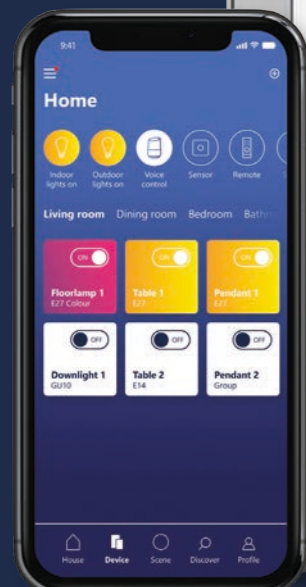

Customer desk directly connected to our in-house R&D team

Intuitive App with 10 yearly updates (iOS and Android)

Nordlux customer desk ready to support in 7 languages

Our system can be used in two ways

1

Super simple Bluetooth

- ✓ No e-mail sign up needed
- ✓ Use of Smart Remote
- ✓ Use of Smart Sensor
- ✓ Use of Smart Plug
- ✓ Dim your lights
- ✓ Tune the color temperature
- ✓ Create your own moods
- ✓ Add up to 50 devices
- ✓ Very low power consumption
- ✓ High safety level - total anonymity

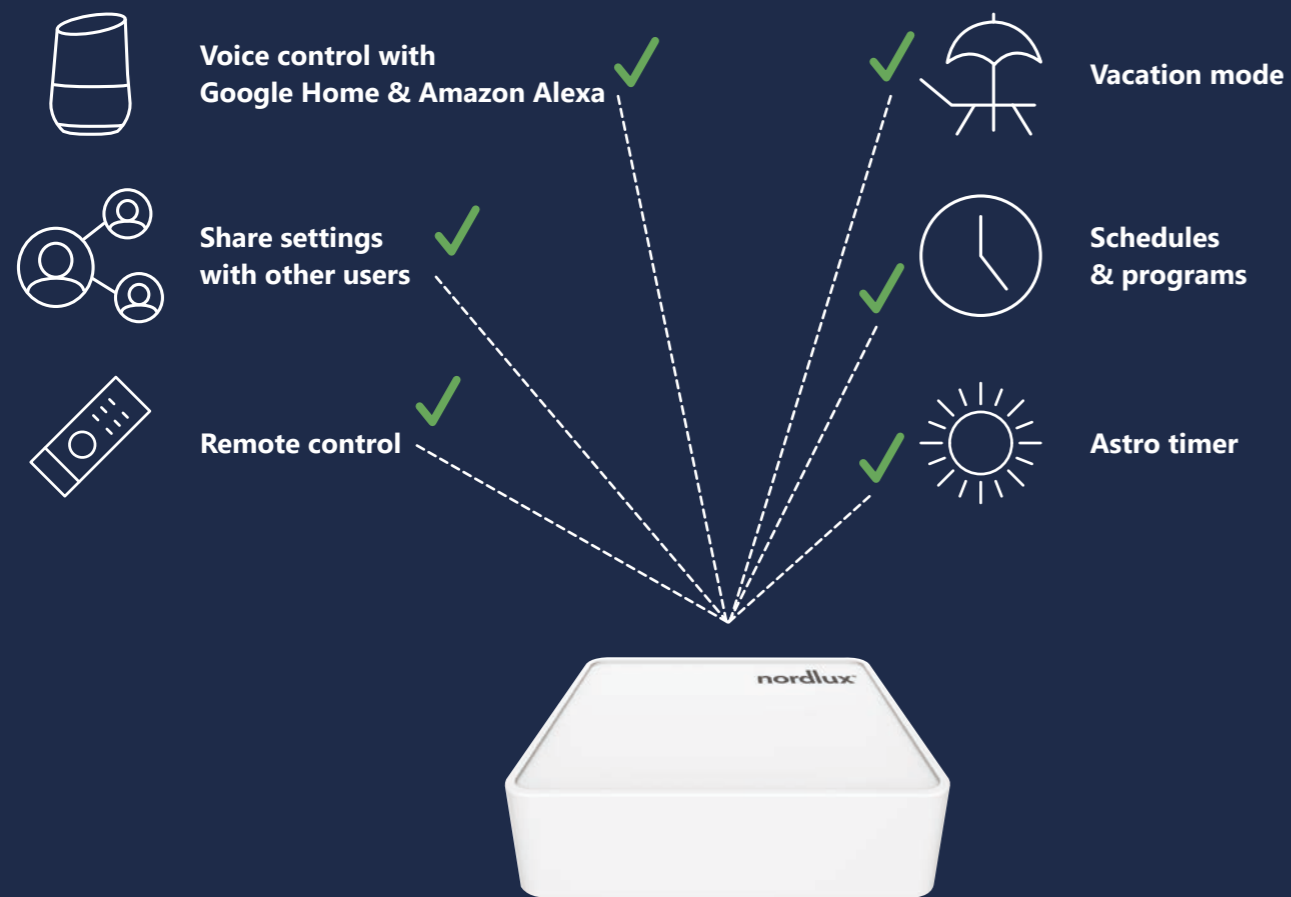

2

Advanced smart home with Bluetooth+Wi-Fi

- ✓ Connect to other systems via Wi-Fi bridge
- ✓ Create more locations - office or holiday home
- ✓ Add up to 50 devices for each bridge
- ✓ Schedule your lights
- ✓ Share control of lights with more phones
- ✓ Back-up via Cloud
- ✓ Use voice control

WiFi Bridge connects to a world of advanced functions

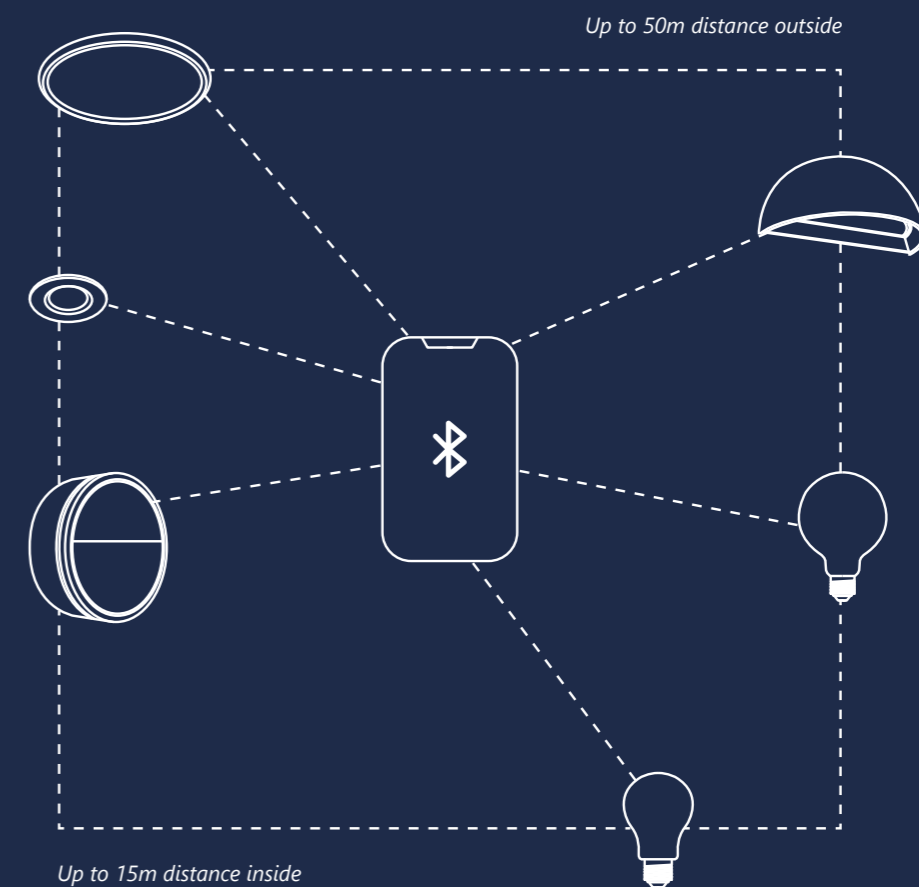

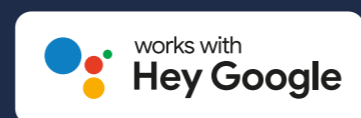

The Smart Bridge enhances the features and functionalities of the Nordlux Smart Products.

In addition to instantly controlling the products via Bluetooth, the Smart Bridge makes it possible to set schedules and programs, control the lights from anywhere and activate a presence simulation, when the family is on vacation.

As Nordlux Smart is compatible to the smart home assistants Amazon Alexa and Google Home, it is also possible to control the lights by voice.

The bridge must be purchased separately.

With Smart Bridge, you can use Smart Home Assistants

User-friendly Bluetooth Mesh technology

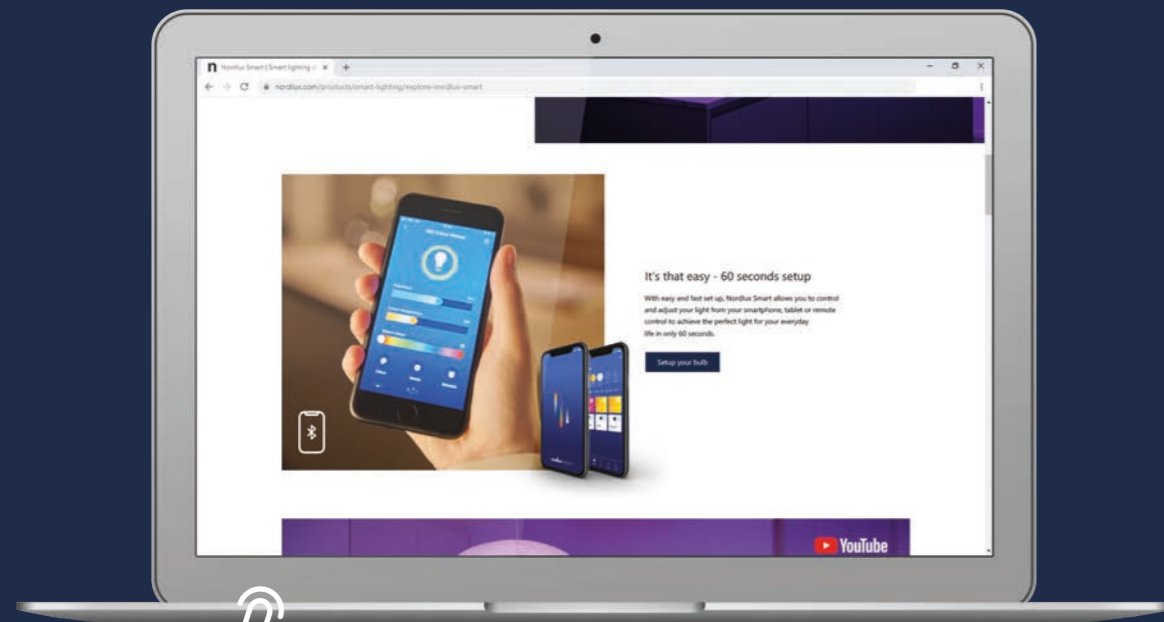

Nordlux Smart makes use of the newest Bluetooth Mesh technology. This enables it to work both indoor and outdoor with a stable communication between the devices.

Bluetooth has a very low power consumption allowing us to save energy, but also introduce battery powered accessories, such as a daylight and motion sensor.

Bluetooth also allows our users complete anonymity and strong privacy protection – because we allow access to all the basic functions without signing up with any account or email.

Fast and easy setup

The installation of Nordlux Smart only takes one minute, and furthermore the products fit your existing light fixtures, so they are incredibly easy to replace. Follow these simple steps and are now ready to create the perfect lighting for any situation.

Explore the world of Nordlux Smart

We are here to help!

On our website, we have an entire Nordlux Smart section, which will guide, help and inspire you with everything for Nordlux smart.

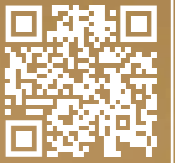

You can find:

- FAQ
- Set-up guides
- Functionality guides
- "How to" feature videos

WATCH VIDEO

There's a perfect light for everyone

With Nordlux Smart bulbs, you can easily adjust the colour temperature and brightness of the light and create the mood that fits your life perfectly – whether you prefer to relax in warm light or you need to concentrate in cool and clear light.

Oja Smart

Oja Smart is a universal ultra-flat ceiling light with an elegant backlight effect. Create the perfect ambience for your home by dimming the light and setting the colour temperature from cold to warm white with the Nordlux Smart app or the Nordlux Smart remote.

- **Adjust brightness and warmth of light with app or remote control**
- **Ultra-slim design**
- **5-year LED guarantee**

The perfect light for a colourful life

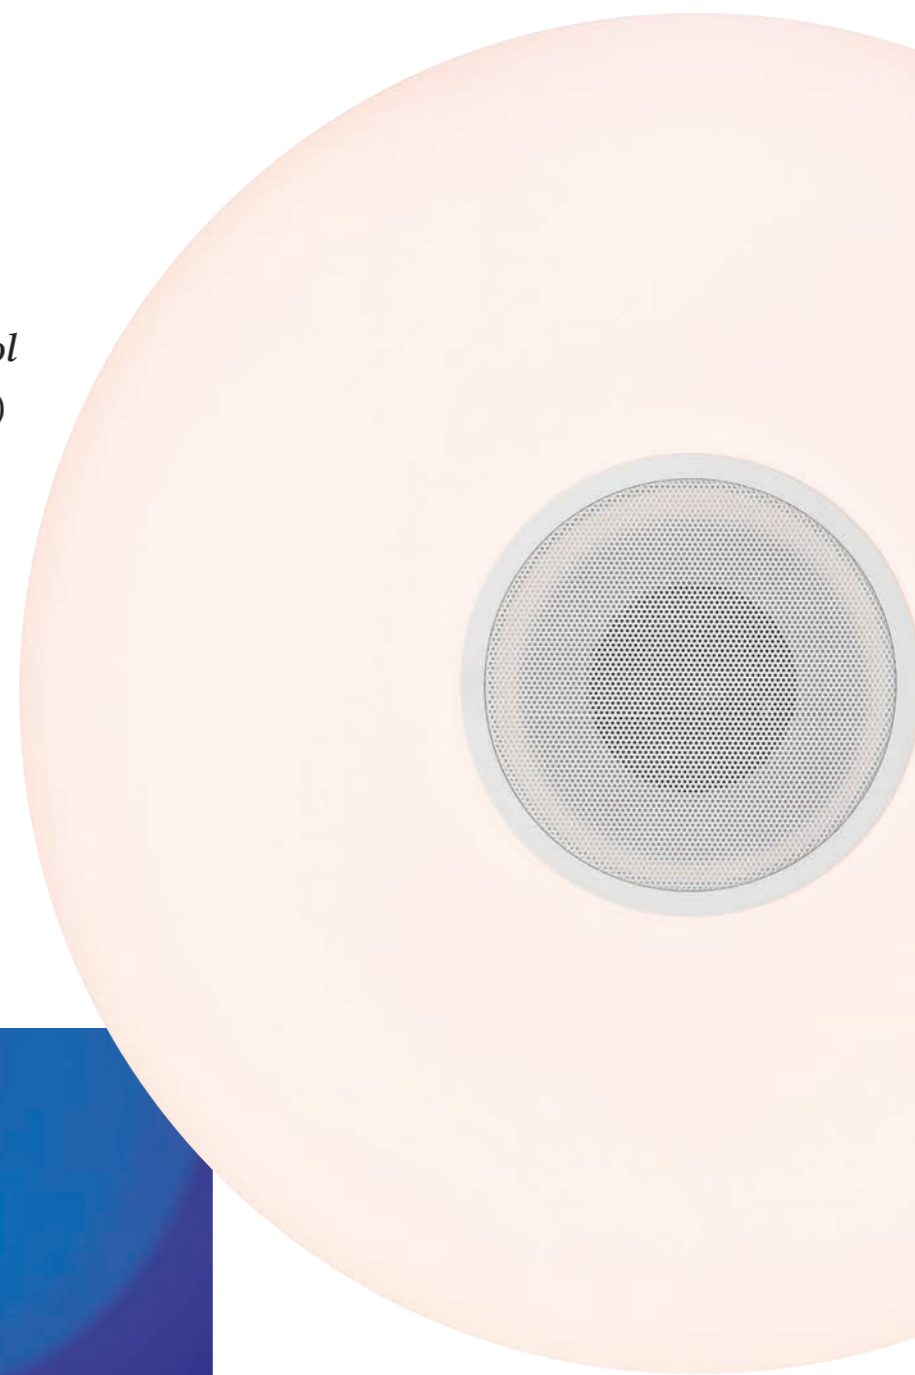

With Nordlux Smart Colour, you can create your own rainbow at home. In everyday life, light up your home with perfect warm or cold light. And when there's a party in the air, set the mood with delicate shades or have fun with dance-friendly colours that can follow the beat of the music.

*"Hey Google,
set the light to purple"*

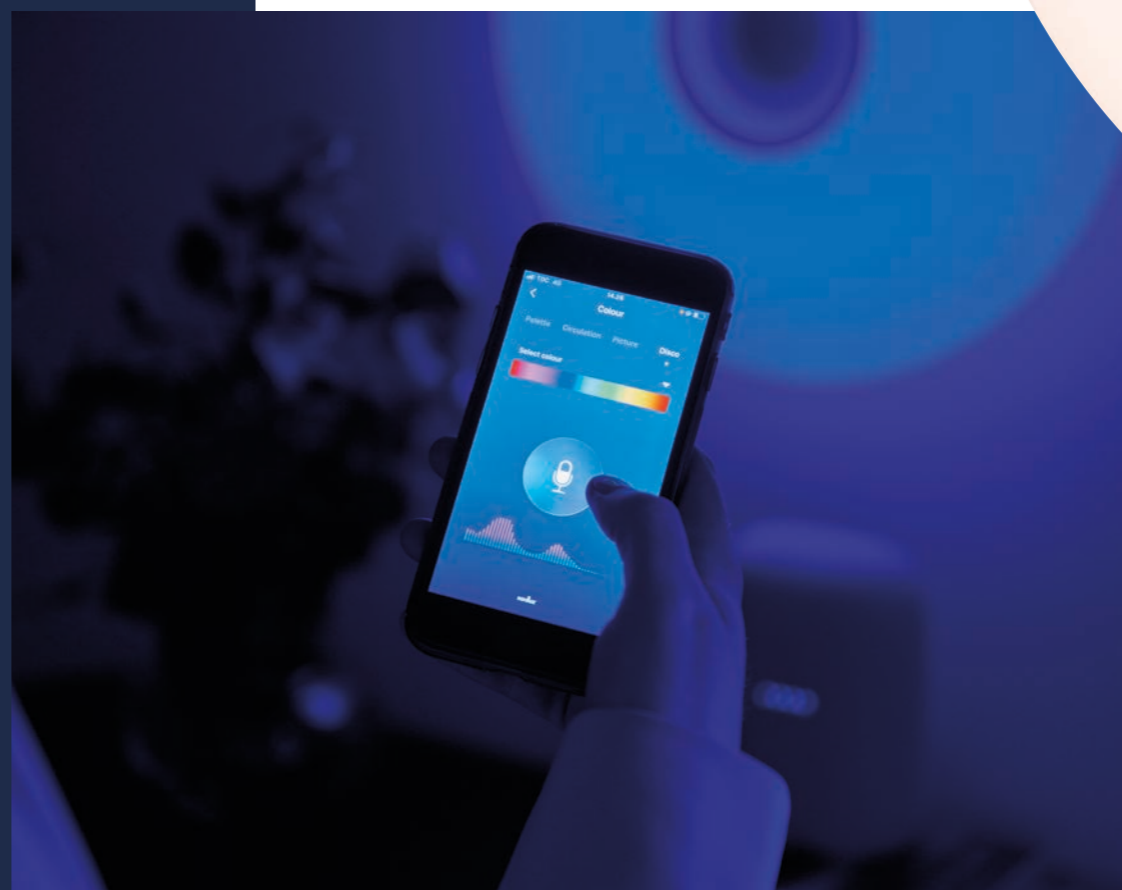

Djay Ceiling 2110886101

- Built-in Bluetooth speaker
- Adjust brightness, warmth and colour with app or remote control
- Suitable for the bathroom (IP54)
- 5-year LED guarantee

Djay Smart

With Djay you can enjoy a nice shower accompanied by the perfect ambience and your favourite music. Djay combines elegant lighting with a functional Bluetooth speaker that can be controlled by your smartphone or tablet. The Nordlux Smart app lets you dim and adjust the light from cool to warm white and choose from millions of colours. The high IP rating (IP54) makes Djay suitable for humid areas such as the bathroom, but it is also perfect for the kitchen or children's room.

Smart LED Strip 2210409901

FULL INFO

Smart LED Strip

With Nordlux's Smart LED strips, you can create your own lighting style anywhere you want – even in narrow places with very little space. Control the light via the Nordlux Smart app and create cosy coloured lighting. The strips are easily concealed beneath kitchen cabinets, along the staircase, behind a TV screen or anywhere you can imagine. Easy installation with the adhesive strip.

- **Adjust brightness and the colour of the light with the Smart app**
- **Can be used in places where there is little space**
- **Easy installation with adhesive tape**

Landon Smart Ceiling 2110840103

FULL INFO

Landon Smart

Landon is a series of surface mounted downlights where you can dim and turn the light on and off using the Nordlux Smart app. You can also adjust the light from cold to warm white according to your needs. The high IP protection (IP44) makes this downlight suitable for the bathroom.

- Turn on, off and dim by using the Nordlux Smart app
- Cold to warm white light (2700-6500 kelvin)
- Suitable for the bathroom (IP44)
- 5-year LED guarantee
